

Once you are married, you may choose to take your spouse's last name. It is best to take care of this as soon as possible following the wedding or honeymoon. Most entities will require you to present a CERTIFIED COPY of your marriage license as proof of marriage.

*Photocopies and Keepsakes are **NOT** recognized by most government offices as proof of marriage.*

After the Marriage License is filed in the Cherry County Clerk's Office you may request a Certified Copy. The cost is \$9.00, cash or check.

You are also able to request a Certified Copy from the State of Nebraska Vital Records Office here:
