

## NOTICE

The 2025 Tax Statements have been mailed by the State. Please review your taxes closely to ensure all statements are received and if any back taxes are due. If you have several parcels, you can request a summary of the total by emailing us at [treasurer@cherrycountyne.gov](mailto:treasurer@cherrycountyne.gov).

If paying by mail or in person, please include the parcel stub with payment as our office will not be responsible for any missing parcels. We ask that you have your phone number listed when mailing in case of any discrepancies. Taxes can also be paid online at <https://nto.us/>
